PROCEDURE FOR ADOPTION (G)

In the normal course, an ordinary motion must be passed by a majority of the members of General Synod present and voting together. Six members of General Synod may, prior to the question being put, require a vote by Orders, with a majority of each Order being necessary to pass.

If a question passes on a Vote by Orders, any six members (two from each of three different dioceses) may immediately before the next item of business require a vote to be taken by dioceses. A motion passes if a majority (or a tie) of dioceses vote in favour.
